

ELECTRIC RED

High Visibility Electric Fence Wire
Available in 300m and 1000m Coils

High Visibility

Easily Identifiable

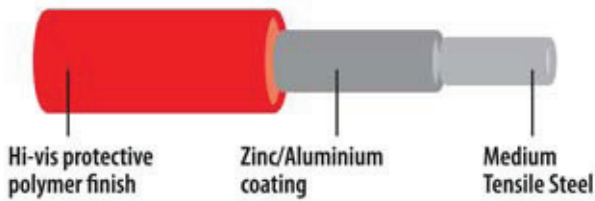

**Superior Zinc
Aluminium Coating**

Electric fencing is highly effective in restraining stock and increases the life of existing fences.

Superior Zinc Aluminium Coating

Whites Wires Electric Red is a high visibility fence wire that offers superior corrosion resistance and a safer alternative to regular fence wire.

The visual impact of Electric Red provides a strong deterrent to passers-by.

Technically, Electric Red's long life zinc aluminium polymer coating provides excellent corrosion resistance in all conditions.

QUICK SPECS

Feature	Benefit
Medium Tensile 2.50mm fence wire	Maintains tension Easy to use Tension to 1.3kN
Resistance 35 ohms/km	Conductivity suitable for most applications
120g/m ² Zn Al coating	Increased corrosion resistance
Available in 1000m and 300m coils	Convenient size for large and small properties
